

Dear Reader,

As we come to the end of 2024, we find ourselves filled with gratitude for the incredible year we have shared. This has been a year of meaningful milestones, heartfelt connections, and inspiring journeys. From expanding into new communities to participating in National Disability Connection Expos, Kuremara has remained committed to empowering individuals and fostering inclusive, supportive environments.

Thank you for being a part of this journey. Together, we have made a difference, and we are excited for what lies ahead.

Current SIL

Availability

Each of these homes provides a safe, inclusive, and supportive environment for our participants.

Celebrating Key Moments in 2024

Reaching New Communities

This year, we extended our services to Mackay, Melbourne, and Sydney, where we were met with warm welcomes and positive feedback. Supporting participants in these thriving communities has been a privilege, and we are thrilled to continue making an impact as we grow.

Disability Connection Expos

Our team had the pleasure of participating in expos across Australia, engaging with participants, carers, and experts.

Inspiring Stories from 2024

Meet AJ

This year, we supported AJ, who thrives with the assistance of our dedicated support workers. Whether it is going out for engaging activities or accomplishing tasks at home, AJ embraces independence and enjoyment with our tailored support.

We are proud to have many more participants like AJ, each with their own unique stories of growth and empowerment. Their journeys inspire us to continue our mission of providing person-centred care and support that makes a lasting impact.

Looking Ahead: What's Next in 2025?

2025 is set to be a year of innovation and expansion for Kuremara, bringing exciting opportunities for our participants and the community. Get ready for the grand launch of our Milton Activity Centre this January, a vibrant space to connect, create, and thrive.

Gratitude and Greetings:

Thank you for an incredible 2024! Your trust and support inspire us to grow and improve. From all of us at Kuremara, Merry Christmas and Happy New Year! Let's make 2025 even more impactful.
