

Kuremara July Newsletter

Dear reader,

Welcome to the July edition of the Kuremara Newsletter! This issue brings you closer to our mission, showcasing how we're making a difference for NDIS participants. We're excited to share updates and insights that demonstrate our commitment to empowering the lives of those we serve through NDIS services.

Celebrating Unique Talents of our NDIS Participants

Kuremara celebrates the unique talents of our NDIS participants, like the stunning artwork featured in this edition, underscoring our commitment to fostering their creative skills and recognising their impact.

Classic Example of Kuremara In-Home Support

Kuremara offers diverse in-home support benefits, like accompanying a NDIS participant to a medical appointment at Mater Hospital Springfield. We emphasise our commitment to providing dedicated care and positively impacting our participants' lives.

Moments to Cherish! Memories to Remember!

Kuremara is committed to enhancing every aspect of our NDIS participants' lives, a commitment reinforced by a surprise visit from a participant. This visit inspires us to strengthen and build meaningful relationships continuously.

Quality Nutrition Support

Our team at Kuremara is geared to ensure our NDIS participants receive their daily portion of quality nutrition through a delicious breakfast. This breakfast is prepared by our NDIS support staff keeping in mind the value of essential vitamins and proteins.

Preparation for the Disability Connection Expo 2024

Kuremara is gearing up with excitement for the Melbourne Expo in October, eagerly anticipating the opportunity to connect with prospective participants, family members, support coordinators, and local partners.
