## Melbourne Disability Connection Expo, 2024

In October 2024, we proudly participated in the Melbourne Disability Connection Expo, an event dedicated to empowering and supporting Australia's disability community. The expo was a remarkable success, with participants thoroughly enjoying engaging with our team and learning about Kuremara's personalised NDIS services. It provided an incredible platform to connect with individuals, families, and professionals while showcasing how our tailored support helps participants lead more independent and fulfilling lives.
